EXPERIENCE

Upwork | Django Expert | Full-Stack Web Development

Pakistan | June 2022 - Present

Developed and deployed Full-Stack web applications with **Django, Python, and React**, incorporating RESTful APIs and third-party integrations. Conducted web scraping tasks using **Selenium and Scrapy**, leveraging **Docker** for efficient containerization. Managed **PostgreSQL** databases, collaborated with cross-functional teams, and ensured code integrity through version control and code reviews for scalable solutions.

Global Citech | Django Developer (Contract)

Remote | Jan 2024 - May 2024

Worked on the Site Vision Pro project using Django, React, and Google Maps API. Developed RESTful APIs, integrated geolocation services, and collaborated with frontend developers for seamless integration. Designed database schemas and optimized queries for performance.
